MODEL 7710
HALO LED Hard Hat Light

ORDINARY LOCATION LIGHTING

April 2019

Description

The 7710 - HALO LED Hard Hat Light is a Personal Active Safety System that attaches to any hard hat and produces a ring of light around the wearer enabling him or her to See and Be Seen in all directions at all times. The Halo was specifically designed for people working in tough environments.

***Includes 1 x 18650 Rechargeable Lithium-Ion battery.**

Product Features

- Lightweight and cord-free
- Visible over 1/4 mile away in all directions at all times
- Powerful flood task light for improved work efficiency
- Fully illuminates the task area out to the visual periphery
- Eliminates shadows no matter where you move
- Four light modes: Halo, HI-Alert, Task, Dim
- Built tough to survive in rough work environments
- Rechargeable battery runtime of 5.5-34 hrs (mode dependent)
- Connects securely to any hard hat
- IP Rating of 67 to protect against dust, dirt, and water
- Easy single button functionality
- One year warranty
